

Recycling is Easy with EDCO!

With our commingled recycling program, you can put all of your recyclables in one container. All you need to remember is what you CAN and what you CAN'T put in your blue recycling cart.

MIXED PAPER & CARDBOARD:

- Writing Paper
- Computer Paper
- Newspaper
- Flattened Cardboard
- Flattened Boxes
- File Folders
- Junk Mail
- Phone Books
- Magazines
- Shredded Paper
- Paper Packaging
- Paper Bags
- Styrofoam Packaging
(NO Packing Peanuts)

RECYCLABLE CONTAINERS:

- Aluminum Cans
- Glass Bottles & Jars (all colors)
- Steel (tin) Cans
- All Plastic Bottles, Jugs & Containers marked  through  or labeled "CA Redemption Value"
- Cartons

DON'T RECYCLE:

Disposable plates or cups, paper towels, tissue, carbon paper, plastic bags (NO plastic grocery bags, newspaper delivery bags or chip/snack bags), ceramics, drinking glasses, mirrors, Styrofoam packing peanuts, batteries, light bulbs, clothing or shoes.

RECYCLING ALTERNATIVES:

- Plastic grocery bags can be returned to grocery stores for recycling or they can be reused.
- Batteries and light bulbs need to be disposed of properly and not placed in trash or recycling containers. Visit our website for proper disposal of HHW items.

For information about EDCO's commingled recycling program, call us at (619) 287-7555 or visit our website.
