The following list includes the items and information that must be submitted for a complete application. Some items may not apply to your project as noted in the list below, and some will only be required if specifically requested by the City to adequately evaluate the project. If you are not sure about a requirement, ask the Planning Division staff. You will be notified whether your application is complete. If it is incomplete or additional information is required, you will receive a specific list of requirements to complete the application.

CHECKLIST

- One completed and signed application form.
- Non-refundable filing fee must accompany application.
- Photocopy of current deed or preliminary title report. (Name of property owner on deed must correspond with the name of applicant unless letter of authorization is submitted with application).
- Environmental Assessment Initial Study form and filing fee.
- Submittal of ten (10) copies of Site Plan and Vicinity Map. Drawing to be prepared as follows with each set folded to 8" x 11" maximum.
- Maximum sheet size of 24" x 36"; minimum 8 1/2" x 11".
- Drawings shall be neat and clearly labeled.
- Submittal must include one set of clear, legible 8-1/2" x 11" reductions of Vicinity Map and all plans submitted in addition to full size submissions.
- Each sheet should contain the name(s) of the firm(s) preparing the plan(s), name of applicant, project location, scale, and date of preparation. The identification of the professional engineer or licensed land surveyor who prepared the plan including name, address, telephone number, registration number, and expiration date of certificate shall also be placed on each sheet.
- All plans shall be drawn to standard engineering or architect's scale of sufficient size to properly evaluate the project.
- North arrow oriented to top of sheet.
- All boundary lines of the subject property fully dimensioned.
- All existing buildings (and proposed buildings and uses if applicable) and improvements and their distances from the property lines and from one another noted by proper dimensions.
- Design of the off-street parking area(s) (ingress/egress, spaces, aisles, loading etc.) fully dimensioned with the flow of traffic noted by arrows; plans to be prepared per the City of La Mesa's Parking and Landscape Standards
- All existing and proposed land use designation boundaries to be shown on the Site and Vicinity Maps for the subject property and adjacent properties.
- Additional copies of all maps, plans, and other supporting information for this application will be required prior to scheduling this application for review by the City Council.
